

**Amendments to the Claims:**

This listing of claims will replace the listing of claims, as filed, in the application:

**Listing of Claims:**

Claim 1 (original): A method of removing an organic light-emitting material from defined areas of a substrate comprising the steps of arranging a shadow mask to overlie the organic material other than in the defined areas, and applying a beam of ions to the defined areas through the mask.

Claim 2 (original): A method according to claim 1, wherein the organic light-emitting material is polymeric.

Claims 3-12 (canceled).
